Changing Lives...One Family at a Time

A Lesson in the “Ins & Outs” of Auto Insurance

Julie Sargis, Hillside Insurance, and “Mom” discussed the importance of uninsured motorist coverage and got a complete education of what different policies cover and don’t cover. Thank you, Julie, for the insurance life lessons.

We were all impressed when “Mom” shared, she has been thinking about how important it might be to obtain Life Insurance for herself & the girls!

Planet Ford is Out of this World!

THANK YOU to Michael McConaughy and Planet Ford for making “Mom’s” car safe to drive for her and kids. The car needed both front and back brakes plus all the drums needed repairing. They also replaced her windshield wipers and did all sorts of other maintenance. When it was all said and done, Mike & his team completed over \$1,500 in repairs. Total cost to Givingmas and the family was only \$100! Thank you, Mike & Planet Ford!

Board Notes

It has been a very busy and rewarding month for Givingmas!

- We are working with two families currently and accepting nominations for a third as of the writing of this newsletter. If you know a family that could be a candidate, please go to www.givingmas.org and click the Nominate a Family link to get started.
- We participated for the 1st time in the NTX Giving Day and while the number of individuals donors was a challenge, the results were not. We received a generous anonymous donation of \$25,000 bringing our 1st time total to \$25,350! Thank you to everyone who made our 1st year a success.
- We are excited to say we are running ahead of last year on the golf tournament, so we are expecting a record-breaking year. Special thanks go out to TRADELINE AUTO as our Platinum Sponsor. Additional thanks go to our Silver Sponsors - Charlie's Cajun Restaurant, McEntire Roofing and The Avenue Sports Bar.
- Some exciting news to look for... remember that anonymous donor we referred to earlier? They have a very exciting challenge for the annual fundraising event in December...*stay tuned!*

Be on the lookout for next month's newsletter where you'll hear from Jared Crewse, our newest board member!

Dad's the Cook update

We have been meeting weekly and continuing to work on real life challenges with William. Truth be told he has had a couple setbacks and we will be ready to work on some bigger goals once he gets back on track. We are happy to report, he has been very responsive and responsible. We are working together on a business plan to get his line of spices launched!
